

## In the name of god

Menu number	Name of menu	Goals	very much	much	medium	low	Very low
1	show colors	Awareness of The Stimulus					
		Attention To The Stimulus					
		Reinforcement Visual Perception					
2	Show half-rectangle	Reinforcement Visual Memory					
		Reinforcement Visual Perception					
		Color Recognition					
		Reinforcement of Central Vision					
3	Show vertical line	Strengthens Eye's Muscles					
		Reinforcement Visual Perception					
		Enhancement of Field of View					
		Reinforcement Visual Attention					
4	Show horizontal line	Strengthens Eye's Muscles					
		Reinforcement Visual Perception					
		Enhancement of Field of View					

		Reinforcement Visual Attention					
5	Show broken line	Reinforcement Visual Memory					
		Reinforcement Visual Attention					
		Reinforcement Visual Perception					
		Reinforcement of Central Vision					
6	Show curve line	Reinforcement Visual Memory					
		Reinforcement Visual Attention					
		Reinforcement Visual Perception					
		Reinforcement of Central Vision					
7	Circle display with diameter change	Reinforcement Visual Attention					
		Reinforcement of Central Vision					
8	Edge display	Edge Detection					
		Angle Detection					
		Reinforcement Visual Perception					
		Enhancement of Field of View					
9	Show face scenarios	Reinforcement Visual Attention					
		Reinforcement Visual Perception					
		Reinforcement of Central Vision					
		Gestalt proximity law					

10	show geometric shapes	Detection of Geometric Shapes					
		Edge Detection					
		Angle Detection					
		Reinforcement Visual Attention					
		Reinforcement Visual Perception					
11	Show triangle	Enhancement of Field of View					
		Strengthens Eye's Muscles					
		Reinforcement Visual Perception					
12	Show Alphabets E	Detecting Directions					
		Reinforcement Visual Attention					
		Reinforcement Visual Perception					
		Reinforcement Visual Memory					
13	Show flashing spot	Reinforcing Attention To Detail					
		Visual Stimulation
